

The aim of the conference is to bring together researchers and scientists working in the fields of fuzzy sets theory. The proposed technical program of the conference will include contributed talks and keynote lectures. The conference will be held on October 25 – 26, 2012 at the University of Mazandaran (UMZ), Babolsar, IRAN. UMZ is located in the beautiful beaches of Caspian sea with the wonderful weather.

#### Co-Sponsored by

- **Iranian Fuzzy Systems Society**
- **Fuzzy Information and Engineering Branch of Operations Research Society of China**
- **International Society of Fuzzy Information and Engineering (preparation)**

Topics to be covered include, but are not limited to:

- **Fuzzy Information**
- **Fuzzy Sets and Systems**
- **Soft Computing**
- **Fuzzy Engineering**
- **Fuzzy Operations Research and Management**
- **Artificial Intelligence**
- **Fuzzy Mathematics and Systems in Applications**

Special Issues of:

- **Iranian Journal of Fuzzy Systems (indexed by ISI)**
- **Fuzzy Information and Engineering (by Springer)**
- **Caspian Journal of Mathematical Sciences**

will be dedicated to publishing selected papers presented at the conference.

One page proposals for special sessions are solicited in areas related to conference scope. Proposals should include the topic, expected number of participants and background of the organizer. Proposals should be submitted before June 1st, 2012.
